RT @PlainSite: "Mike is working with the finance team to get the buy off on scrapping the modules for the second quarter." \$TSLA <https://t.co/...>

Subject: RE: WIP Count

Hi Eugene,

Sorry for the late response.

We did an WIP inventory check for the modules 2 weeks ago, and this is what we think should be scrapped virtually. Mike is working with the finance team to get the buy off on scrapping the modules for the second quarter. We should do a similar analysis on the bandoliers quite soon.

Quarter	Already Scrapped Physically	FAT to be scrapped	MES	Missing modules list	Pack Line Removed	Grand Total
2017 Quarter 3	13	24	24	6	5	544
2017 Quarter 4	10	40	40	12	10	540
2018 Quarter 1	10	42	42	10	10	522
2018 Quarter 2	15	42	186	78	32	521
Grand Total	108	134	24	975	477	1758

Thanks,

Did google kill the files?

Mark Johnzon @CovfefeCapital · Aug 9
I don't know the details.

This link was sent to me.

As I understand, there will be a continuous effort to keep the documents in the public domain.

Great, thanks. I had problems to download the Google drive package, because Google splitted it in several files and I couldn't get all.
